

Network 8 Channel Amplifier

Description

WF-850 Z4 is a multi-room system that enables you to enjoy your favorite music anywhere in your home. This model contains 4 audio amplifiers for you to connect to 4 set of stereo speakers. Each zone also contains analog and digital audio outputs for you to use as audio source. You can easily play music from online music services, your phone storage, Spotify and other sources by using Muzo Linkplay app on your iOS or Android device.

4 Zone

Spotify

AirPlay

Multi-Room

Internet Radio

Features:

- **Amplification:** Each zone can provide 50Wx2@8ohms (stereo mode) or 100W@4ohms (bridge mode)
- **Multi-room audio function:** Play different songs in different rooms or same song in every room.
- **Easy network setup:** Connect to your home network and it is ready to use.
- **Rich I/O interface:** Each zone has separate digital input/output and analog input/output. There is also a master source input that all zones can use at the same time.
